

Comtech Telecommunications Corp. Receives \$9.1 Million Contract to Supply Troposcatter Equipment to The Iraqi Navy

September 24, 2018

MELVILLE, N.Y.--(BUSINESS WIRE)--Sep. 24, 2018-- September 24, 2018-- Comtech Telecommunications Corp. (Nasdaq: CMTL) announced today that during its first quarter of fiscal 2019, its Orlando, Florida-based subsidiary, Comtech Systems, Inc., which is part of Comtech's Government Solutions segment, has received a \$9.1 million sole-sourced contract from The Program Executive Office (PEO) Command, Control, Communications, Computers and Intelligence (C4I), International C4I Integration Program Office (PMW 740), to supply equipment and services in support of an existing C4I Surveillance and Reconnaissance Maritime Surveillance System owned by the Iraqi Navy.

Comtech will be supplying thermal imaging radar in conjunction with Comtech's advanced digital troposcatter communications systems and backhaul microwave terminals. The communications network will provide radar and sensor data to an existing Command and Control facility.

In commenting on this important award, Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp., stated, "I am excited to be able to announce this important contract with a new foreign government end customer. While the sales cycles for opportunities of this type are long, this win is further evidence that demand for troposcatter equipment around the world is growing. We look forward to working with the U.S. FMS and Iraqi Navy on this and future opportunities."

Comtech Systems, Inc. (www.comtechsystems.com) specializes in system design, integration, supply and commissioning of turnkey communication systems including over-the-horizon microwave, line-of-sight microwave and satellite.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.
