

## Comtech Telecommunications Corp. Announces \$1.2 Million in Orders for City of Baltimore

December 13, 2018

MELVILLE, N.Y.--(BUSINESS WIRE)--Dec. 13, 2018-- December 13, 2018-- Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today, that during its first and second quarters of fiscal 2019, its Command & Control Technologies group, which is part of Comtech's Government Solutions segment, received orders totaling \$1.2 million to deliver advanced communication solutions for the City of Baltimore.

Under these orders, Comtech will continue to provide critical Information Technology (IT) staffing and support to various agencies within the City of Baltimore, including the Baltimore City Office of Information & Technology (BCIT), the Baltimore City Police Department, Department of Public Works and other City Agencies. Comtech has been supporting the City of Baltimore under an existing contract since 2015.

"We are pleased to continue our essential development of web-based and database applications, network security services, and support of the City of Baltimore's total area networks, local and distant," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp. "We are very appreciative of our long-term business relationship with the City of Baltimore and are looking forward to continue exceeding their expectations now and into the future."

The Command & Control Technologies group is a leading provider of mission-critical, highly-mobile C4ISR solutions.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.
