

## Comtech Telecommunications Corp. Receives \$1.7 Million Order from a Texas County Association

December 19, 2018

MELVILLE, N.Y.--(BUSINESS WIRE)--Dec. 19, 2018-- December 19, 2018-- Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today, that during its second quarter of fiscal 2019, its Safety & Security Technologies group, which is part of Comtech's Commercial Solutions segment, received an order totaling \$1.7 million to deliver Next Generation 911 services for an association of counties in the State of Texas.

Under this order, Comtech will continue to provide critical Next Generation 911 services to these counties, which Comtech has been supporting under contract since 2011, providing trunking, ESInet, and i3 Next Generation 911 applications and services.

"We are honored that these counties have extended our relationship and selected us to perform this critical work for their citizens," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp. "This extension is a testament to the quality of our market-leading solutions, and we are proud of our industry leadership in providing innovative Next Generation Core Services to states and counties across the country."

Comtech's highly reliable technologies enable the successful handling of over five million 911 calls and texts each month. For more information regarding Comtech's 911 products and services, visit [www.comtech911.com](http://www.comtech911.com).

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.
