

Comtech Telecommunication Corp. Receives \$11.9 Million in Orders for Cyber Training

February 11, 2019

MELVILLE, N.Y.--(BUSINESS WIRE)--Feb. 11, 2019-- February 11, 2019 -- Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today, that during its second quarter of fiscal 2019, its Command & Control Technologies group, which is part of Comtech's Government Solutions segment, received \$11.9 million in orders from a Federal Government customer for its Cyber Security Training solutions.

"Our Cyber Security Training team continues to provide cutting-edge Cyber Security training to DoD warfighters," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp. "This recent award speaks to the Government's continued confidence in the value of our products and services as part of their cyber portfolio in preparing DoD personnel for cyber challenges faced today and well into the future."

The Command & Control Technologies group is a leading provider of both Cyber Security Training and products, and mission-critical, highly-mobile C4ISR solutions.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
