

Comtech Telecommunications Corp. Announces Contract with Top-Tier Telecom Organization Worth \$3.1 Million

July 24, 2019

MELVILLE, N.Y.--(BUSINESS WIRE)--Jul. 24, 2019-- Comtech Telecommunications Corp. (NASDAQ: CMTL) announced today, that during its fourth quarter of fiscal 2019, its Enterprise Technologies group, which is part of Comtech's Commercial Solutions segment, has finalized a three-year contract agreement worth \$3.1 million with a leading U.S. telecom organization for location-based services ("LBS") platforms to support existing and new applications and services.

"Location technology continues to add tremendous value for our telecom and enterprise customers, allowing us to develop a number of long-term and collaborative customer relationships," said Fred Kornberg, President and CEO of Comtech Telecommunications Corp. "We are happy to continue this long-standing relationship, providing continued access to accurate and secure location-based services for a number of existing mobile applications and those still in development."

The Enterprise Technologies group of Comtech Telecommunications Corp. is a leading provider of precise device location, mapping and messaging solutions. Sold around the world to mobile network operators, government agencies, and Fortune 100 enterprises, our platforms locate, map, track and message.
