

Comtech Telecommunications Corp. Awarded \$1.0 Million Contract for High-Power Amplifiers

August 10, 2021

MELVILLE, N.Y.--(BUSINESS WIRE)--Aug. 10, 2021-- August 10, 2021-- Comtech Telecommunications Corp. (NASDAQ: CMTL), a global leading provider of next-generation 911 emergency systems and secure wireless communications technologies, announced today, that during its fourth quarter of fiscal 2021, it was awarded a \$1.0 million contract for high-power amplifiers from a major domestic prime contractor.

These amplifiers, which utilize the latest in solid-state GaN transistor technology, are key transmit elements in a data communication system. They add to an installed base of Comtech solid-state high-power RF amplifiers previously delivered to this major domestic prime contractor.

"This contract demonstrates our continued leadership position in providing high-power communications technology and the ongoing demand for our solid-state high-power amplifiers utilized by major OEMs in both domestic and international markets," said Fred Kornberg, Chairman of the Board and Chief Executive Officer of Comtech Telecommunications Corp.

The contract was awarded to Comtech PST Corp. (www.comtechpst.com) which is a leading independent supplier of high-power, high performance RF microwave amplifiers and control components for use in a broad spectrum of applications including defense, medical, satellite communications systems and instrumentation.

Comtech Telecommunications Corp. is a leading provider of next-generation 911 emergency systems and critical wireless communication technologies to commercial and government customers around the world.
