## **Comtech Telecommunications Corp. to Participate in Jefferies Technology Conference**

MELVILLE, N.Y., Sep 24, 2007 (BUSINESS WIRE) -- Comtech Telecommunications Corp. (NASDAQ: CMTL) announced today that it plans to participate in the Jefferies Technology Conference. Investors are invited to listen to a live audio webcast of Comtech management at 1:50 p.m. Eastern time on October 1, 2007.

The live webcast will be available at [www.wsw.com/webcast/jeff20/cmtl](http://www.wsw.com/webcast/jeff20/cmtl) or through a link on Comtech's website at [www.comtechtel.com](http://www.comtechtel.com). The link to our presentation will be live just prior to the start of the presentation and will be available for on-demand use within 24 hours after the presentation is over. The webcast will be available on our website for 14 days following the conference.

### About Comtech

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company believes many of its solutions play a vital role in providing or enhancing communication capabilities when terrestrial communications infrastructure is unavailable or ineffective. The Company conducts business through three complementary segments: telecommunications transmission, mobile data communications and RF microwave amplifiers. The Company sells products to a diverse customer base in the global commercial and government communications markets. The Company believes it is a market leader in the market segments that it serves.

### Cautionary Statement Regarding Forward-Looking Statements

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
