TeleCommunication Systems CEO Elected to Fifth Term on CTIA - The Wireless Association's Board of Directors

Note: Comtech Acquired TCS on 2/23/2016

ANNAPOLIS, Md., Sept. 11, 2015 /PRNewswire/ -- TeleCommunication Systems, Inc. (TCS) (NASDAQ: TSYS), a world leader in secure and highly reliable wireless communication technology, today announced that its Chief Executive Officer, President and Chairman of the Board Maurice B. Tose has been re-elected to the board of directors of CTIA -The Wireless Association®. CTIA is an international nonprofit membership organization, which has been representing the wireless communications industry since 1984.

News Facts:

- | Membership in CTIA includes wireless carriers and their suppliers, as well as providers and manufacturers of wireless data services and products.
- | Mr. Tose's fifth one-year term will begin January 1, 2016.
- | TCS plays a leading role in the CTIA Cyber Security Working Group that focuses on initiating policy, establishing best practices and standards, and sharing known vulnerabilities and recommended countermeasures.
- | TCS is actively involved with the CTIA Privacy Working Group that focuses on establishing best practices and guidelines regarding consumer privacy for location-based services and personal information.
- | TCS worked closely with CTIA to meet the FCC's ruling on the advances of wireless 9-1-1 location accuracy, including requirements for indoor wireless 9-1-1 calls in delivering a "dispatchable location."

Meredith Atwell Baker, President and CEO, CTIA, said: "Under the leadership of its officers and the board of directors, CTIA and its members are well positioned to lead efforts to secure additional spectrum for mobile broadband as well as encourage innovation and competition to benefit all Americans. We are fortunate to have this diverse and distinguished group guide our efforts."

Maurice B. Tose, CEO, TeleCommunication Systems, said: "As the most influential forum focused on mobile innovation, CTIA is fostering new technology via the world's mobile ecosystem to improve the 'connected lives' of people and enterprises. I am honored to continue my service on the CTIA board as an advocate on behalf of the Other Supplier members."

About TeleCommunication Systems, Inc.
