Comtech Telecommunications Corp. Signs a \$6.0 Million Purchase Agreement for High-Power Amplifiers

MELVILLE, N.Y.--(BUSINESS WIRE)-- October 8, 2014--Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today that its New York-based subsidiary, Comtech PST Corp., signed a Purchase Agreement valued at \$6.0 million and received multiple orders pursuant to the Agreement totaling approximately \$3.7 million from a major domestic OEM to supply solid-state high-power amplifiers. The balance of orders under the agreement are expected to be received over the next fifteen months.

These amplifiers are key components in a complex Identification Friend or Foe (IFF) system used to interrogate aircraft to determine their friend or foe status. This order supplements an installed base of Comtech IFF solid-state high-power amplifiers previously delivered to this customer.

Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp., said, "This order reaffirms the quality and reliability of Comtech's solid-state amplifier products as well as the continuation of our relationship with this premier supplier of IFF systems to both U.S. and international customers."

Comtech PST Corp. (www.comtechpst.com) is a leading independent supplier of broadband, high-power, high performance RF microwave amplifiers for use in a broad spectrum of applications including defense, medical, satellite communications systems and instrumentation.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company believes many of its solutions play a vital role in providing or enhancing communication capabilities when terrestrial communications infrastructure is unavailable, inefficient or too expensive. The Company conducts business through three complementary segments: telecommunications transmission, RF microwave amplifiers and mobile data communications. The Company sells products to a diverse customer base in the global commercial and government communications markets. The Company believes it is a leader in most of the market segments that it serves.
