## **Comtech Telecommunications Corp. Announces \$2.3 Million Order for Managed Network Services**

MELVILLE, N.Y.--(BUSINESS WIRE)-- May 17, 2016--Comtech Telecommunications Corp. (Nasdaq: CMTL) announced today that during its fourth quarter of fiscal 2016, its government solutions segment received a \$2.3 million funded order from a prime contractor to the Department of Defense ("DoD") to continue to provide managed network services through May 2017.

"We are pleased that this prime contractor has chosen us to continue to supply managed network services to help support the DoD's mission critical operations," said Dr. Stanton Sloane, President and Chief Executive Officer of Comtech Telecommunications Corp.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets. The Company believes it is a leader in most of the market segments that it serves.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
