TeleCommunication Systems to Present at the 2012 Gateway Conference on September 6

Note: Comtech Acquired TCS on 2/23/2016

ANNAPOLIS, Md., Aug. 22, 2012 /PRNewswire/ -- TeleCommunication Systems, Inc. (TCS) (NASDAQ:TSYS), a world leader in highly reliable and secure mobile communication technology, has been invited to present at the 2012 Gateway Conference being held on September 6 at the W San Francisco Hotel.

TCS management is scheduled to present at 12:30 p.m. Pacific time, with one-on-one meetings held throughout the day. Management will discuss the company's progress, including its acquisition of Next Generation 9-1-1 leader, microDATA GIS, which strengthened TCS' public safety communications set and distribution.

About the Gateway Conference

The Gateway Conference is designed to provide a unique gateway between influential members of the investment community and a select group of compelling publicly-traded companies. Portfolio managers, research analysts and brokers from buy-side and sell-side institutions will have the opportunity to learn about more than 50 emerging growth companies across a broad range of industries, from technology, business services, and digital media, to clean-tech, consumer/retail, life sciences and natural resources. For more information, visit www.gateway-conference.com.

The invitation-only conference is hosted by Liolios Group, one of the nation's top investor relations agencies, and sponsored by leading firms that service the financial community. For more information about Liolios Group, visit www.liolios.com.
