TeleCommunication Systems to Present at MDB Capital Group's Annual Bright Lights Conference on May 10, 2011

Note: Comtech Acquired TCS on 2/23/2016

ANNAPOLIS, MD, Apr 26, 2011 -- TeleCommunication Systems, Inc. (TCS) (NASDAQ: TSYS), a world leader in highly reliable and secure mobile communication technology, has been invited to present at MDB Capital Group's Annual Bright Lights Conference. The conference will be held at the Le Parker Meridien Hotel in New York City on May 10-11, 2011.

TCS management is scheduled to present on Tuesday, May 10, 2011 at 9:30 a.m. Eastern time with one-on-one meetings held throughout the day. Management will discuss the company's growing patent portfolio of 144 patents issued, and more than 300 patent applications pending. Management will also discuss its first quarter 2011 results and financial outlook.

TCS was selected from MDB's 2011 group of "Best and Brightest" small-cap companies, a group that is advancing some of today's most innovative and market-leading intellectual property (IP). TCS is one of the 40 public companies ranking in the 90th percentile for its respective technology leadership from more than 1,500 small-cap companies with granted U.S. patents, as rated by PatentVest, MDB's proprietary IP business intelligence platform. Candidate companies have been scored, ranked and analyzed on the basis of their rate of innovative change, as well as the novelty, quality and industry impact of their patents.
